

Abbreviated Curriculum Vitae

Prof. Dr. Dr. Kelvin W. Willoughby

Address (university):

Professor and Chairholder (Lehrstuhlinhaber)

Stiftungsfonds Deutsche Bank Chair of Innovation Management and Entrepreneurship

HHL Leipzig Graduate School of Management

Jahnallee 59, Leipzig 04109 Germany

Email: k.willoughby@hhl.de

Web: www.hhl.de

Telephone (office): +49-341-985-1828

Web: www.DrKelvinWilloughby.com

Higher Education

Postdoctoral Fellowship

The University of California at Berkeley

Haas School of Business & Institute of Urban and Regional Development

(Fields: strategic management and economic development planning)

Doctor of Philosophy (Ph.D.)

The University of Western Australia, Graduate School of Management

(Fields: strategic management and technology management)

Doctor of Philosophy (Ph.D.)

Murdoch University, School of Environmental and Life Sciences

(Field: technology studies)

Master of Laws (LL.M.)

Universität Augsburg. Munich Intellectual Property Law Center: Max-Planck-Institut für

Geistiges Eigentum, Wettbewerbs- und Steuerrecht; Technische Universität München;

George Washington University; Universität Augsburg.

(Field: intellectual property)

Bachelor of Arts with First Class Honours (B.A. Hons. 1st Class)

Murdoch University, School of Mathematical and Physical Sciences

(Fields: technology studies, population & resource studies)

Previous Academic Positions

Skolkovo Institute of Science and Technology, Moscow, Russia

Center for Entrepreneurship and Innovation. (2014-2021)

Director, Innovation and Intellectual Property Laboratory (2015-2021)

& Associate Dean of Education (2015-2016)

Professor of Innovation and Intellectual Property

Curtin University

Faculty of Science and Engineering & Graduate School of Business

Perth, Australia (2010-2014)

Professor of Entrepreneurship and Intellectual Property

Technische Universität München

Lehrstuhl für Wirtschaftsrecht und Geistiges Eigentum

Fakultät für Wirtschaftswissenschaften (TUM School of Management)

Munich, Germany (2010)

Gastprofessor & Wissenschaftlicher Mitarbeiter

Max Planck Institut für Geistiges Eigentum, Wettbewerbs- und Steuerrecht

(Max Planck Institute for Intellectual Property, Competition and Tax Law)

Munich, Germany (2007-2008/2009)

Max Planck Gesellschaft Fellowship for International Scientific Cooperation

Mahidol University

College of Management & Faculty of Science

Professor of Management; Chair, Entrepreneurship Management Program; Chair, New

Technology Ventures Program; Academic Director, International Initiatives; Executive

Council Member, College of Management. Bangkok, Thailand (2006-2007)

(April 2024)

Abbreviated Curriculum Vitae: Prof. Kelvin W. Willoughby

Academic Positions (cont.)

The University of Minnesota

Center for the Development of Technological Leadership, Institute of Technology Honeywell / W. R. Sweatt Endowed Chair in the Management of Technology
Professor & Program Director, Management of Technology Program (2004-2006)

Westminster University

Gore School of Business, *Professor of Management and Entrepreneurship (2001-2004)*

State University of New York at Stony Brook

College of Engineering and Applied Sciences

Director, Management of Technology Program; Director, Industrial and Business Initiatives & Associate Professor (Business & Technology Management) (1998-2001)

The University of Utah

Director, Management of Technology Program, College of Engineering & David Eccles School of Business; & Clinical Associate Professor of Management, Department of Management, David Eccles School of Business (1994-1998)

The University of Western Australia

Faculty of Economics and Commerce (Graduate School of Management & Department of Organisational and Labour Studies). *Lecturer in Business Policy and Strategy (Tenured); Director, Honours Program in Management. (1990-1994)*

The University of California at Berkeley

Research Associate, Institute of Urban and Regional Development (1988-1993)

Lecturer, Department of City and Regional Planning (1990)

Selected Awards and Honors

- 2022 *Otto Mønsted Gæsteforskerat*, awarded by the Otto Moensted Foundation for the Otto Moensted Visiting Professorship at the Copenhagen Business School.
- 2019 *IEEE Senior Member*, IEEE (Institute of Electrical and Electronics Engineers).
- 2018 *HRH Princess Maha Chakri Sirindhorn* award for contribution to educational and research collaboration between the Kingdom of Thailand and the Russian Federation.
- 2018-2022 Guest Professor, School of Intellectual Property, Nanjing University of Science and Technology, Nanjing, China.
- 2018-2020 Adjunct Professor, School of Electrical Engineering, Computing and Mathematical Sciences, Curtin University, Australia.
- 2012-2013 Resident Entrepreneur, Innovation Centre of Western Australia.
- 2007-2008 *Diplôme d'honneur, Propriété Intellectuelle Européenne*, EIPIN (European Intellectual Property Institutes Network): Strasbourg, Munich, Zurich, London, Alicante.
- 2006 BioBusiness Alliance of Minnesota, Honorable Recognition.
Recognition of profound impact on the future of biobusiness in Minnesota for work as Co-chair of the Minnesota Statewide Biobusiness Assessment Project, 2005-2006.
- 2001 Study Award for Outstanding Young American Management Executives, Carl Duisberg Gesellschaft e.V., Gemeinnützige Organisation für Internationale Weiterbildung und Personalentwicklung. Munich and Berlin, July 2001. Sponsored by the State of Bavaria.
- 2000 Outstanding Faculty Award, conferred by the Institute for Industrial Policy Studies for outstanding teaching in the Master of Science in Technology Management degree program of the State University of New York at Stony Brook, during 1999-2000.
- 1988-1990 Fulbright Award, 1988-1990
Awarded for postdoctoral fellowship at the University of California, Berkeley.
- 1991 Gold Medal, Technology Transfer Society (Lang-Rosen Award), 1991
Awarded by the Technology Transfer Society (United States) for the best scholarly paper published in *The Journal of Technology Transfer* during 1990-1991.
- 1987 Government of Western Australia, Certificate of Special Recognition, 1987
Awarded by the Premier of Western Australia for valued contribution to the advancement of science, industry and technology in the State of Western Australia.

Publications

Refereed Scholarly Journal Articles

“How Can Business Schools Generate and Appropriate Value in University-based Technological Innovation?” *International Journal of Innovation and Technology Management* (2023) 2350052 (58 pages). Accepted for publication, 5 June 2023. Dmitry S. Smirnov & Kelvin W. Willoughby.
<https://doi.org/10.1142/S0219877023500529>

“Different Settings, Different Terms and Conditions: The Impact of Intellectual Property Arrangements on Co-creation Project Performance,” *The Journal of Product Innovation Management*, 40, 5 (2023), 679-704. Anja Tekic, Kelvin W. Willoughby & Johann Füller.
<https://doi.org/10.1111/jpim.12668>

“Global Innovation and Competition in Quantum Technology, Viewed Through the Lens of Patents and Artificial Intelligence,” *International Journal of Intellectual Property Management*, 13, 1 (2023), 40-61. Zeki Can Seskir & Kelvin W. Willoughby.
<https://doi.org/10.1504/IJIPM.2021.10044326>

“Mapping the Development of Corporate Intellectual Property Capabilities: A Framework for Large Complex Technological Organizations,” *Research-Technology Management*. 5 January (2024). Under review. Punyapat Saksupapchon, Kelvin W. Willoughby & Alistair Scott.

“The Coevolution of New Technology Development Capabilities and Intellectual Property Capabilities in Large Complex Technological Organizations,” *European Journal of Innovation Management*. 29 September (2023). Under review. Punyapat Saksupapchon, Kelvin W. Willoughby & Alistair Scott.

“Enhancing older adults’ technology adoption and knowledge transfer: a gamification and learning approach,” *Technological Forecasting and Social Change*. 1 July (2023). Under review. Siyang An, Chi Fai Cheung & Kelvin W. Willoughby.

“Product Modularity, Design Imitation and Intellectual Property: Creating Value Through Patent Strategy,” *IEEE Engineering Management Review* (under review, November 2022). Georgy D. Klushin & Kelvin W. Willoughby.

“Reverse Innovation, International Patenting and Economic Inertia: Constraints to Appropriating the Benefits of Technological Innovation,” *Technology in Society*, Volume 67, November 2021, 101712. Kelvin W. Willoughby & Nadezhda Mullina.
<https://doi.org/10.1016/j.techsoc.2021.101712>

“Rethinking the Dynamics of Innovation, Science, and Technology: The Curious Case of Stirling Engines and Stirling Refrigerators,” *Energy Research & Social Science*, Volume 79, September 2021, 102159. Dmitry S. Smirnov & Kelvin W. Willoughby.
<https://doi.org/10.1016/j.erss.2021.102159>

“Contextual Factors Affecting Patent Licensing Provisions in Collaboration Agreements of Complex Technological Organizations,” *International Journal of Intellectual Property Management*, 11, 3 (2021), 280-315. Punyapat Saksupapchon & Kelvin W. Willoughby.
<https://doi.org/10.1504/IJIPM.2020.10032645>

“Intellectual Property Management, Dynamic Capabilities and Competitive Innovation in the Commercial Aircraft Industry,” *International Journal of Intellectual Property Management*, 11, 3 (2021), 236-262. Punyapat Saksupapchon & Kelvin W. Willoughby.
<https://doi.org/10.1504/IJIPM.2020.10032446>

“Endogenous innovation, outward-bound international patenting and national economic development,” *The Journal of Technology Transfer*, 45, 3 (2020), 844-869. Kelvin W. Willoughby.
<https://doi.org/10.1007/s10961-018-9705-1>

Abbreviated Curriculum Vitae: Prof. Kelvin W. Willoughby

“Product Modularity, Design Imitation and Intellectual Property: The Role of Patent Protection, A Review,” *International Journal of Management Reviews* (under review, February 2022). Georgy D. Klushin & Kelvin W. Willoughby.

“Configuring intellectual property management strategies in co-creation: A contextual perspective,” *Innovation: Organization and Management*, 22, 2 (2020), 128-159. Anja Tekic & Kelvin W. Willoughby. <https://doi.org/10.1080/14479338.2019.1585189>

“Co-creation – child, sibling or adopted cousin of open innovation?” *Innovation: Organization and Management*, 21, 2 (2019), 274-297. Anja Tekic & Kelvin W. Willoughby. <https://doi.org/10.1080/14479338.2018.1530565>

“Contextualized co-creation: Innovating with individual external contributors throughout the product life cycle,” *International Journal of Product Development*, 22, 3 (2017), 230-245. Anja Tekic & Kelvin W. Willoughby. <https://doi.org/10.1504/IJPD.2017.087380>

“A knowledge-based system for assessing and managing intellectual property managerial risks for small-and-medium sized technological enterprises,” *International Journal of Intellectual Property Management*, 7, 1/2 (2014), 57-83. C. F. Cheung, W. M. Wang, X. Xu & Kelvin W. Willoughby. <https://doi.org/10.1504/IJIPM.2014.062795>

“What impact does intellectual property have on the business performance of technology firms?” *International Journal of Intellectual Property Management*, 6, 4 (2013), 316-338. Kelvin W. Willoughby. <https://doi.org/10.1504/IJIPM.2013.057634>

“Intellectual property management and technological entrepreneurship,” *International Journal of Innovation and Technology Management*, 10, 6 (2013), 1340027. Kelvin W. Willoughby. <https://doi.org/10.1142/s0219877013400270>

“How much does technology really matter in patent law? A comparative analysis of doctrines of appropriate patentable subject matter in American and European patent law,” *Federal Circuit Bar Journal*, 18, 1 (2008), 63-138. Kelvin W. Willoughby.

“How do entrepreneurial technology firms really get financed, and what difference does it make?” *International Journal of Innovation and Technology Management*, 5, 1 (2008), 1-28. Kelvin W. Willoughby. <https://doi.org/10.1142/s0219877008001266>

“Interorganizational cooperation, knowledge intensity and the sources of innovation in the bioscience-technology industries,” *Knowledge, Technology and Policy*, 18, 3 (2006), 56-73. Kelvin W. Willoughby & Peter Galvin. <https://doi.org/10.1007/s12130-005-1005-z>

“Technological semantics and technological practice: Lessons from an enigmatic episode in Twentieth Century technology studies,” *Knowledge, Technology and Policy*, 17, 3-4 (2005), 11-43. Kelvin W. Willoughby. <https://doi.org/10.1007/s12130-004-1002-7>

“The Affordable Resources strategy and the Milieux Embeddedness strategy as alternative approaches to facilitating innovation in a knowledge-intensive industry,” *The Journal of High Technology Management Research*, 15, 1 (2004), 91-121. Kelvin W. Willoughby. <https://doi.org/10.1016/j.hitech.2003.09.006>

“The virtualization of university education: Concepts, strategies and business models,” *Journal of Applied Educational Technology*, 2, 1 (2004), 4-24. Kelvin W. Willoughby.

“Building internationally competitive technology regions: The Industrial-Location-Factors approach and the Local-Technological-Milieux approach,” *Journal of International and Area Studies*, 7, 2 (2000), 1-36. Kelvin W. Willoughby.

“Generic strategies and action modes: A philosophical challenge for strategic management,” *Journal of International Business and Economy*, Fall (2000), 69-90. Kelvin W. Willoughby.

Abbreviated Curriculum Vitae: Prof. Kelvin W. Willoughby

"Informal communication, formal collaboration, and the growth of research-intensive entrepreneurial firms in the biotechnology industry," *Frontiers of Entrepreneurship Research*, November (1999), 571-585. Kelvin W. Willoughby.

"The economic potential of biotechnology," *International Journal of Technology Management, Biotechnology Review*, 1 (1993), 7-10. Kelvin W. Willoughby & E. J. Blakely.

"The economic-development potential of California's biotechnology industry," *International Journal of Technology Management, Biotechnology Review*, 1 (1993), 11-27. Kelvin W. Willoughby, E. J. Blakely & N. Nishikawa.

"Transfer or generation? Biotechnology and local industry development," *Journal of Technology Transfer*, 15, 4 (1990), 31-38. Kelvin W. Willoughby and E. J. Blakely.

Other Publications

More than 160 other publications related to my general area of academic expertise, in addition to the above formal refereed academic publications, including the following:

- 26 Published Working Papers, Published Occasional Papers or Published Technical Monographs, Industry Reports and Government Reports
- Over 120 Conference Papers, Invited Lectures and Guest Seminar Presentations
- 14 Professional Reports, Business Cases & Other Publications

For a complete list of Professor Willoughby's publications go to:

http://www.drkelvinwilloughby.com/Professor_Kelvin_W._Willoughby/Full_List_of_Publications.html

Teaching Experience

More than 30 years of professional teaching and supervision of research at the graduate level at the following universities: HHL Leipzig Graduate School of Management, Skolkovo Institute of Science and Technology, Copenhagen Business School, National Research University Higher School of Economics (Russia), Curtin University, the University of Minnesota, the State University of New York at Stony Brook, the University of Utah, Westminster College, the University of Western Australia, the University of California at Berkeley, and Mahidol University.

Guest teaching at the following universities: Copenhagen Business School, the Hong Kong Polytechnic University, Helsinki School of Economics and Business Administration; Seoul National University; W.A. Institute of Technology; Murdoch University; Winston-Salem State University; Tsinghua University.

Subject matter of courses taught have included:

Technology Entrepreneurship; Intellectual Property, Technological Innovation and Entrepreneurship; Intellectual Property, Technological Innovation and Academic Research; Disruptive Technologies and Business Models; Innovation Management; Entrepreneurship and Agile Working Methods; Research Methodology in Engineering Systems; Comparative International Patent Law; Innovation Workshop; Philosophy of Science, Technology and Innovation; Strategic Management; Introduction to Business Planning; Entrepreneurship; The Art of Managing Entrepreneurship; Technology Transfer and Commercialization; Legal Framework and Sustainability in Electrical Engineering; Managing Organizations in a Technological Environment; Developing New Technology Products; International Management of Technology Project; Management of Technology Capstone Projects; Design and Evolution of Technology Commercialization Strategy; Enactment of Technology Commercialization Strategy; Introduction to the Process of Technological Innovation; Technical Standards and Competition in High Technology Industries; Organizations, Technology and Society; International Dimensions of Technology Management; Licensing Strategy; Technology Commercialization, Research Institutions and Government; Business Law and the Management of Intellectual Property in the Information Age; Technology Management and Industrial Context (Telecommunications); Strategic Management of Technological Innovation; Strategic Management and the Banking Industry; Strategic Management of Technology; Management of Technology (A): The Technology Based Firm; Management of Technology (B): Technological Contexts; International Management; Entrepreneurship in Emerging Technology; Entrepreneurial Bioengineering; Managing Innovation and Technology; Innovation and Technological Design; Rural/Small Town Planning and Policy: US and International Perspectives; Urban and Regional Development in the Third World; Resources Planning.

Research Grants Awarded / Principle Investigator

Otto Moensted Foundation, Grant of DKK 210.000,00 for Otto Moensted Visiting Professorship (Otto Mønsted Gæsteprofessorat) for research at the Copenhagen Business School. Project topic: "Intellectual

Abbreviated Curriculum Vitae: Prof. Kelvin W. Willoughby

property strategies for international technological competitiveness for companies, countries and regions" (2020-2022)

The Hong Kong Polytechnic University, University Research Grant (\$249,800). Joint project with Prof. Chi Fai Cheung, Dr. Woo Yong Park & Prof. Kelvin W. Willoughby.

Project title: "A scenario-based product-service system for servitization of gerontechnology for aging in place." (2017-2018)

The Hong Kong Polytechnic University, University Research Grant (\$128,000). Joint project with Assoc. Prof. Chi Fai Cheung, Dr. Wai Ming Wang Prof. Kelvin W. Willoughby and Dr. Artie Ng.

Project title: "Development of a multi-faceted technology assessment system for measuring the performance of innovative technology-intensive enterprises." (2011-2012)

Thailand-Global Entrepreneurship Research Project (incorporating the GEM - Global Entrepreneurship Monitor - Project), Mahidol University & Office of Small and Medium Enterprise Promotion, Thailand. (3,360,000 baht)

Project title: "Thai Entrepreneurship in a Global Context." (2007-2008)

Federal Laboratory Consortium for Technology Transfer (operating budget 2003, \$5,000; operating budget 2004, \$7,000 & \$8,000) Entrepreneurial Technology Apprenticeship Program (graduate assistant expenses 2003, \$16,000; 2004, \$8,000)

Project title: "Technology Transfer Training and Education Resources Project." (2002-2004)

TumTech GmbH (Technical University of Munich) & Degussa AG (Duesseldorf, Germany) (Euro 25,000) "The Virtualization of Universities." (2001-2002)

Ministry of Education, Research, Science and Technology (Federal Republic of Germany); joint research project with Roland Berger & Partner GmbH & Fraunhofer Management Gesellschaft mbH. Total budget approx. DM 700,000. Project title: "Study of the Development and Operating Mechanisms of Technological Competence Centers in Germany." (1998)

Utah Life Science Industries Association (\$17,260)

Project title: "Study of the Bioscience Technology Industries in Utah." (1998)

Research Foundation of the State University of New York (\$40,500)

Project title: "Study of the Biotechnology and Biomedical Engineering Industries in New York." (1996)

The University of Utah (\$10,000)

Project title: "Options for a University-wide Graduate Program in Technology Management." (1993)

Australian Research Council, 1993 Small Grants Scheme (\$10,117)

Project title: "Local industrial networks and international activity in knowledge-based businesses: A study of the biotechnology industry in Australia, California and New York State." (1993)

Research Foundation of the State University of New York, administered by the Center for Biotechnology, State University of New York at Stony Brook and the New York Biotechnology Association (US\$35,000)

Project title: "Strategies for the Development of Biotechnology in New York." (1991)

University of California at Berkeley, Center for Research in Management (US\$10,000)

Project title: "Strategic Analysis of the Biotechnology Industry." (1989/1990)

Commonwealth of Australia, Office of Local Government, and the Western Australian Department of Regional Development and the North West (\$18,000)

Project title: "Evaluation of local enterprise development programs in Western Australia."

Joint project with J. Moon. (1988)

Commonwealth of Australia, Department of Industry, Technology and Commerce, NIES Scheme (\$32 500 year 1, \$96 300 over 3 years; 1987 - 1990)

Project title: "The Ingredients of Successful Entrepreneurship in a Middle Economy: The Case of Knowledge Based Companies in Western Australia". Joint project with A. Morkel. (1987)

Government of Western Australia, Technology and Industry Development Authority (\$17,000)

Project title: "Technology, Agriculture and Regional Development". (1986 -1987)

Other Academic and Professional Experience

Otto Mønsted Visiting Professor, Department of International Economics, Government and Business, Copenhagen Business School, Copenhagen, Denmark (April - July 2022)

Visiting Professor, Department of Industrial and Systems Engineering, The Hong Kong Polytechnic University, Kowloon, Hong Kong. (2011 - 2022)

Guest Professor, School of Intellectual Property, Nanjing University of Science and Technology, Nanjing, China. (2018 - 2022)

Visiting Professor, Department of International Economics, Government and Business, Copenhagen Business School, Copenhagen, Denmark. (2022)

Adjunct Professor, School of Electrical Engineering, Computing and Mathematical Sciences, Curtin University, Australia (2018 - 2020)

Associate Dean of Education (university-wide), Skolkovo Institute of Science and Technology, Moscow, Russia (2015-2016); Chair of Curriculum Committee (2014-2016); member of Institute-wide Doctoral Research Committee (2015-2016); member of Policy Review Committee (2014-2015); member of Personnel Committee / Faculty Appointment Committee (2014-2015); member of Education Committee (2016 onwards); member of Library Committee (2014-2015); member of President and Academic Council (2015); member of Disciplinary Board, Skoltech (2017-2018); Director, Laboratory for Innovation and Intellectual Property Management* (2014 - onwards). [*previously "Innovation and Intellectual Property Management Research Unit"].

International Scientific Committee member, 6th International Conference on Knowledge Management in Asia Pacific (KMAP 2012), Shanghai, China, October 10-12, 2012.

International Symposium on Trade and Management, Pakse, Lao People's Democratic Republic (Laos), Keynote Speaker, Topic: "Trading Ideas! Is That Real Business? Asia and the Global Knowledge Economy." (May 30, 2012)

Elected Professoriate Member, Strategic Review Board, Curtin Business School, Curtin University (2011 -)

Member of Minerals and Energy Strategic Planning Committee, Curtin University (2011).
